ProQuest Global Training Newsletter, Issue 31, September 2012 — Don't take it personally, it's just business!

If you need training resources to supplement your business collections from ProQuest, we have lots to offer you. From LibGuides, training videos, to webinars, you can find links to all of these materials in this newsletter.

LibGuides on some of our core business databases are available for:

- ABI/INFORM
- ProQuest Entrepreneurship
- International Bibliography of the Social Sciences (IBSS) — NEW!
- Factiva
- Safari Books Online — Business and Tech Books
- ProQuest Statistical Datasets
- ProQuest Statistical Insight

Plus, helpful resources such as ProQuest Dissertations & Theses and ProQuest Research Library.

And there’s even a guide on Creating a Business Plan and supplementing your plan with some of the resources in ProQuest Statistical Collections. Download our new brochure that includes ProQuest Statistical Abstract of the United States 2013, offering enhanced access to key industry data.

New to our collection of training videos is an ABI/INFORM FAQs playlist which focuses on some of our content FAQs. Each short video is only approximately two minutes long and covers the following content-related topics:

- The Economist
- EIU Reports
- Find a Journal
- Finding SSRN Content
- Finding G20 Data

If you need to locate statistics to supplement any of your business research, view our Statistical Datasets and Statistical Insight training videos.

And for live training or recorded sessions, all of our business-related webinars are scheduled through the Business & Careers section of our ProQuest Training Webinar homepage. Please see the featured resources section below for our September business webinars.

The ProQuest Global Training Team

P.S. — Now that you’re all on the ProQuest platform, don’t forget that we continue to offer webinars on the ProQuest Administrator Module and user-interface focused sessions for beginners, advanced users, and the My Research feature. Click here for our upcoming schedule and links to recorded sessions. We also have a playlist of platform training videos covering 15 different topics.
